

The Given Day (Coughlin Series Book 1)

From Dennis Lehane, New York Times bestselling author of *Mystic River* and *Shutter Island*, comes the paperback edition of *The Given Day*, an unflinching family epic that captures the political unrest of a nation caught between a well-patterned past and an unpredictable future. This beautifully written novel of American history tells the story of two families—one black, one white—swept up in a maelstrom of revolutionaries and anarchists, immigrants and ward bosses, Brahmins and ordinary citizens, all engaged in a battle for survival and power at the end of World War I.
