

The Illustrated Olive Farm: A Newly Written, Illustrated Companion to Her Bestselling Trilogy

A sumptuously illustrated companion to the bestselling Olive Farm trilogy. Carol Drinkwater, whose three books *The Olive Farm*, *The Olive Season*, and *The Olive Harvest* sold more than a quarter of a million copies in the UK alone, has produced an entirely new volume documenting life on *Appassionata*, the farm she shares with her husband Michel. Many of the well-loved locations and a large cast of engaging characters make an appearance, and the local customs, hidden beaches, fairs, culinary pleasures, and off-the-beaten track charms of Provence all receive lovingly detailed attention. Carol's passion and joy will enchant armchair travelers and fans of her earlier works.
