

New York Times and USA Today bestselling author Katee Robert begins a smoking hot new series about the OMalley family-wealthy, powerful, dangerous and seething with scandal. Teague OMalley hates pretty much everything associated with his family's name. And when his father orders him to marry Callista Sheridan to create a business alliance, Teague's ready to tell his dad exactly where he can stuff his millions. But then Teague actually meets his new fiancée, sees the bruises on her neck and the fight still left in her big blue eyes, and vows he will do everything in his power to protect her. Everyone knows the OMalleys have a dangerous reputation. But Callie wasn't aware just what that meant until she saw Teague, the embodiment of lethal grace and coiled power. His slightest touch sizzles through her. But the closer they get, the more trouble they're in. Because Callie's keeping a dark secret-and what Teague doesn't know could get him killed.
