In its starred review, Publishers Weekly called Bliss Jumps the Gun the book for the mystery reader whos looking for something fresh and strong. Now in The Middle of Nowhere, Bob Sloan has once again created an intricate plot and characters that will keep you on the edge on your seat. Homicide detective Lenny Bliss wears consciousness like an albatross. He is looking for some inner peace. Instead he gets a floater fished out of the East River. Then his comedienne turned novelist wife wants to tag along. Shes writing a novel about, of all things, a homicide detective. The investigation is not going swimmingly (they never do, with floaters) when another case takes precedent--the bludgeoning of a young man during a party in a swanky Upper East Side townhouse. Arriving on the scene, Bliss realizes hes been to this townhouse before, the night he went looking for his missing daughter who had also been to the swanky townhouse party. If his previous visit is revealed, it will taint the case and make Bliss a very likely suspect. In The Middle of Nowhere, Bob Sloan writes with the lyrical toughness of James Lee Burke and the dark humor of Carl Hiassen, creating a torrid and revealing look at the dark underbelly of New Yorks wealthy elite-and the deeper darkness that lies under that.
