

The Romance of Lust

Authorship of this salacious literary classic has been attributed to either of two men: William Simpson Potter, author of two books of letters on the Prince of Wales, or Edward Sellon, who produced other erotic novels. The protagonist of *The Romance of Lust*, Charlie Roberts, exudes an insatiable sexual appetite, to which he was initiated by early sexual encounters with siblings, governesses, and later with various friends. It was originally published in four volumes during the years 1873-1876. Due to the explicit nature of the language and nature of the novel, which often describes in graphic detail quite unrealistic sexual positions and scenarios, it was banned in the United States for some time. Scenes of various sexual activities shock even today's readers in what has become known as the quintessential erotic Victorian novel, earning the virile young Charlie Roberts the designation of hero of the Victorian sexual underground.

Beautifully illustrated with full page vintage erotica pictures and sexually explicit art paintings, *The Romance of Lust* is a must read book of classic erotic literature. *Romance of Lust* or *Early Experiences* by Anonymous is a Victorian erotic tale published in 1873-1876 in four volumes.
