

The Adrian Mole Diaries

Adrian Mole faces the same agonies that life sets before most adolescents: trouble with girls, school, parents, and an uncaring world. The difference, though, between young Master Mole and his peers is that this British lad keeps a diary an earnest chronicle of longing and disaster that has charmed more than five million readers since its two-volume initial publication. From teenaged Adrians anguished adoration of a lovely, mercurial schoolmate to his view of his parents constantly creaking relationship to his heartfelt but hilarious attempts at cathartic verse, here is an outrageous triumph of deadpan and deadly accurate satire. ABBA, Princess Di's wedding, street punks, Monty Python, the Falklands campaign ... all the cultural pageantry of a keenly observed era marches past the unique perspective of Sue Townsend's brilliant comic creation: Adrian Mole, the unforgettable lad whose self-absorption only gets funnier as his life becomes more desperate.

The first book in the Adrian Mole series, this was a publishing sensation back in the 1980s, but still has the power to entertain pre-teen, teen and even adult Adrian Mole's first love, Pandora, has left him a neighbor, Mr. Lucas, appears to be seducing his mother (and what does that mean for his father?) the BBC Adrian Albert Mole is the fictional protagonist in a series of books by English author Sue Townsend. For the TV series, see *The Secret Diary of Adrian Mole (TV series)*. The trouble with trying to read passages from the Adrian Mole Diaries aloud is that you find yourself laughing so hard you can't go on. It's that kind of book. The Adrian Mole Diaries has 2362 ratings and 121 reviews. Margitte said: The blurb for this book says it all, I can hardly think of something more to say.
