

# The Sleeping Dragon (The Guardians of the Flame Book 1)

Seven college students meet for another night of role-playing games, where they will be cast as wizard, warrior, cleric, or thief. However, their conniving gamemaster has something entirely new planned for them. The seven gamers are cast into an alternate world of magic, fire-breathing dragons and a quasi-medieval culture with slavery. The only way back to Earth is through a dragon-guarded Gate Between Worlds, about which little is known. The five men and two women face tough challenges simple survival in a harsh environment as well as finding the mysterious Gate to bring them home. Publishers Weekly praised this series for its energy, wit, and a strong moral sensibility.
