

THE SIGNET CLASSIC SHAKESPEARE SERIESThe Work of the World's Greatest DramatistA great way to enjoy twenty of Shakespeare's timeless plays, this volume is a retelling of the stories in prose by the famous nineteenth-century brother and sister Charles and Mary Lamb. Keeping Shakespeare's own words whenever possible but making the plots and language easily accessible, this entertaining and readable collection has enthralled both children and adults ever since it first appeared in 1807. Here Shakespeare's best-known tragedies and comedies come to life. Defined by moving drama, vivid action, great wit, or fantastic imagination, each play comes alive with charm and clarity for readers of any age—as a helpful preface to the original Elizabethan version or even as enriching, unforgettable stories in themselves. With an Introduction by Susan J. Wolfson and an Afterword by Sylvan Barnet, general editor of the Signet Classic Shakespeare series.
