

Unleashed: Ross Siblings, Book 1

Its not enough that Kelseys husband left her for another woman. Oh, no. The other woman had to be her best friend Evans fiancee. Not only has she lost her marriage, she fears losing Evan to the lingering awkwardness and humiliation that hangs between them. Evan has no intention of letting that happen. Hes got plans...namely, an extra plane ticket to Hawaii now that his future wife is out of the picture. Theres only one person he wants on the trip with him, the one whos always been there for him. The one he should never have let slip away into the arms of a traitorous friend who shattered her heart. Kelsey is anticipating a week of fun in the sun with the man whos always treated her like a little sister. No ones more surprised when she discovers that Evan has seduction on his mind - and that shes more than ready for it. Love is the most powerful healing force of all. But past demons have a way of ripping open old wounds and threatening the survival of even the strongest friendship.
