

Her Victory: A Novel

A story of love and romance between two lost people in 1950s Britain, from the author of *The Loneliness of the Long-Distance Runner*. Every morning Pam decides to leave George. Somehow she never quite gets around to it. She's flirted with suicide too, but she doesn't see the point. A woman would have to be mad to kill herself for the sake of George. He's a brute, vain and selfish, with a cruel sense of humor and absolutely no regard for his wife. Someday she will leave him: Why not today? Pam flees to London, where she takes refuge in a lonely, sparsely furnished room. With a twist of her wrist, she turns on the gas and resigns herself to death, only to be rescued by a neighbor. Tom, a former sailor in the Merchant Navy who has just come into a surprise inheritance, is carrying scars of his own. Bound by despair, these two unlikely lovers begin a new life, and together they will find a reason to live. This lonely middle-aged couple finds victory in living, searching for love and happiness, and overcoming their pasts. In its portrayal of women, *Her Victory* has been compared to the novels of Doris Lessing and Margaret Drabble, and it is award-winning author Alan Sillitoe at his very best.

This is not the case in *Her Victory*. What weakens the book is not the inclusion of ideological sentiments and philosophical observations but the spurious rhetoric.
