

When you hold the hand of a warrior, you're joining him on a quest—one that traverses glory and pain. It's a journey traveled by few, and fewer make it through till completion. Extraordinary men have run our colors across the battlefields of history, but behind them have been the women who have held vigil as they go. This passage in matrimony is unique in the way the military will change you, your husband, and your marriage. PTSD, deployments, or never-ending household moves are just some ways a “new normal” lifestyle will challenge even the strongest foundations. But what doesn't break you will make you stronger if you let it! This book will illustrate the courage, support, and faith it takes to overcome the challenges of military marriages, as well as the tools, understanding, and insight to enter into the rewarding experience of being a warrior wife.

Sonette Aus Dem Portugiesischen (Classic Reprint) (German Edition), Will They Ever Trust Us Again?: Letters from the War Zone, The Wedding Budget Checklist (The Wedding Planning Checklist Series Book 2), Doctor Who: Terrible Lizards, Safe as Houses (Iowa Short Fiction Award), Three Tragedies by Renaissance Women: The Tragedie of Iphigeneia/the Tragedie Oa Antonie/the Tragedie of Mariam (Penguin Classics: Penguin Dramatists),
