

## Other Choices: A Novel

Other Choices is a fast moving story about Ed, a new kid in town who refuses to follow the crowd. He finds himself at odds with his classmates, especially Robert, a bully who is the captain of the hockey team. Ed refuses to be told what to do by his brother or by his classmates. Ignoring their threats, he does what he wants. When he is challenged, Ed discovers that he has the inner strength to do what he thinks is right. Ed's story is about not giving in to peer pressure and bullying and about making other choices.
