

A Rendezvous to Die For

Award-winning mystery full of twists and turns Smart and sassy Cassandra Cassidy is armed with only her cameras to solve a mystery. Cassandra Cassidy a new photographer in town. She does weddings -- but only to pay the rent. Her passion is more artsy stuff, and she'll go to a lot of lengths to get the perfect picture. Which gets our reckless heroine in a lot of trouble. She has a newspaper assignment to cover an 1830s Rendezvous reenactment and jumps at the chance. Lots of interesting characters -- and a chance to add to her Indian portfolio. And that's where the trouble begins. Surreptitiously checking out a sweat lodge when no one's around, she points her camera inside, clicks the shutter, and finds the body of her nemesis with a tomahawk in his loathsome head. She can't help but think good riddance, but the local constabulary makes our meddling photographer the main suspect. Soon she's up to her f-stops searching for the real killer -- with her only investigative skills camera-related.
